

16th European Conference on General Thoracic Surgery: Looking Back, Looking Forward - Proceedings Part IV

The 16th European Conference on General Thoracic Surgery (ESTS) will be held in Glasgow, UK, from August 23-28, 2024. The conference will bring together leading experts in the field of thoracic surgery to discuss the latest advances in the diagnosis and management of thoracic diseases.

The ESTS is the largest and most prestigious conference on thoracic surgery in Europe. It is held every two years and attracts over 2,000 delegates from around the world. The conference provides a unique opportunity for thoracic surgeons to learn about the latest research and developments in the field, and to network with colleagues from around the world.

The theme of the 16th ESTS is "Looking Back, Looking Forward." The conference will reflect on the progress that has been made in thoracic surgery over the past few decades, and will also look ahead to the future of the field.

The conference will feature a wide range of scientific sessions, including plenary lectures, keynote speeches, and panel discussions. There will also be a number of workshops and demonstrations.

The ESTS is a must-attend event for thoracic surgeons from around the world. The conference provides a unique opportunity to learn about the latest research and developments in the field, and to network with colleagues from around the world.

Scientific Program

The scientific program for the 16th ESTS will include a wide range of topics, including:

* Lung cancer * Esophageal cancer * Mediastinal tumors * Chest trauma * Pulmonary embolism * Thoracic aortic disease * Pediatric thoracic surgery

The scientific program will feature a number of plenary lectures, keynote speeches, and panel discussions. There will also be a number of workshops and demonstrations.

The plenary lectures will be given by leading experts in the field of thoracic surgery. The keynote speeches will focus on the latest research and

developments in the field. The panel discussions will provide an opportunity for experts to debate the latest controversies in thoracic surgery.

The workshops and demonstrations will provide hands-on training in a variety of thoracic surgical techniques. The workshops will be led by experienced thoracic surgeons.

Social Program

The 16th ESTS will also feature a number of social events, including:

* A welcome reception * A conference dinner * A number of tours of Glasgow and the surrounding area

The welcome reception will be held on the evening of August 23rd. The reception will provide an opportunity for delegates to meet each other and to network with colleagues from around the world.

The conference dinner will be held on the evening of August 26th. The dinner will be a black-tie event and will feature a menu of traditional Scottish cuisine.

A number of tours of Glasgow and the surrounding area will be available for delegates to book. The tours will include visits to historical sites, museums, and art galleries.

Registration

Registration for the 16th ESTS is now open. The deadline for early registration is May 15, 2024.

The registration fee for the conference is €750. The fee includes access to all scientific sessions, social events, and tours.

To register for the conference, please visit the ESTS website:

<https://www.ests.org>

Accommodation

A number of hotels in Glasgow are offering discounted rates for delegates to the 16th ESTS. The hotels are located near the conference venue and offer a range of amenities.

To book a hotel, please visit the ESTS website: <https://www.ests.org>

Transportation

Glasgow is easily accessible by air, rail, and road. The city is served by Glasgow Airport (GLA), which is located about 8 miles from the city center. Glasgow is also well-connected by rail to other major cities in the UK.

To plan your travel to Glasgow, please visit the ESTS website:
