

26th International Conference on Neural Information Processing (ICONIP 2024) in Sydney, NSW, Australia (December 12-15)

The 26th International Conference on Neural Information Processing (ICONIP 2024) will be held in Sydney, New South Wales, Australia, from December 12-15, 2024. The conference will bring together researchers, scientists, engineers, and practitioners from around the world to share the latest advances in neural information processing.

ICONIP is a leading international conference in the field of neural information processing. The conference covers a wide range of topics, including:

- Artificial intelligence
- Machine learning
- Deep learning
- Computer vision
- Natural language processing
- Speech recognition
- Robotics

ICONIP 2024 will feature a keynote address by Professor Yoshua Bengio, a world-renowned expert in artificial intelligence and machine learning. The conference will also include a variety of other activities, such as:

Neural Information Processing: 26th International Conference, ICONIP 2024, Sydney, NSW, Australia, December 12–15, 2024, Proceedings, Part II (Lecture Notes in Computer Science Book 11954)

- Oral presentations
- Poster presentations
- Workshops
- Tutorials
- **Abstract submission deadline:** March 15, 2024
- **Notification of acceptance:** May 15, 2024
- **Camera-ready paper submission deadline:** June 15, 2024
- **Conference dates:** December 12-15, 2024

Abstracts should be submitted electronically via the conference website. Abstracts should be no more than 500 words in length and should include the following information:

- Title of the paper
- Authors and affiliations
- Abstract body

Papers accepted for presentation at the conference will be published in the conference proceedings. Papers should be no more than 8 pages in length and should be formatted according to the conference style guidelines.

Registration for the conference will open in June 2024. The registration fee will include access to all conference sessions, materials, and social events.

A variety of accommodation options are available near the conference venue. The conference website will provide a list of recommended hotels.

Sydney is easily accessible by air, rail, and road. The conference venue is located near the Sydney International Airport (SYD) and the Central Railway Station.

Citizens of most countries do not need a visa to enter Australia for short-term stays. However, citizens of some countries may need to apply for a visa in advance. Please visit the Australian Department of Home Affairs website for more information.

For more information about the conference, please visit the conference website or contact the conference secretariat at iconip2024@gmail.com.
