****All Pigs Are Beautiful**** is a children's novel by E.B. White, first published in 1952. The novel tells the story of Wilbur, a young pig who is saved from slaughter by a kind-hearted farmer. Wilbur's journey teaches him about the importance of friendship, love, and compassion.

The novel begins with Wilbur's birth. He is the runt of the litter, and his mother is unable to care for him. The farmer, Mr. Zuckerman, takes pity on Wilbur and decides to raise him as a pet.

Wilbur quickly becomes a beloved member of the Zuckerman family. He is playful and curious, and he loves to explore the farm. Wilbur's favorite pastime is playing with his best friend, a spider named Charlotte.

One day, Wilbur learns that he is destined to be slaughtered. He is heartbroken, and he begs the farmer to spare his life. The farmer is moved by Wilbur's pleas, and he agrees to let him live.

Wilbur is overjoyed, but he knows that he cannot stay on the farm forever. He eventually grows too large and becomes too expensive to keep. The farmer decides to sell Wilbur to a butcher.

Wilbur is devastated. He does not want to die, and he begs the farmer to reconsider. The farmer is sympathetic, but he knows that he has no choice. He tells Wilbur that he will sell him to a kind butcher who will treat him with respect.

On the day of the sale, Wilbur is taken to the butcher's shop. He is terrified, and he tries to escape. But the butcher is too strong, and he eventually subdues Wilbur.

The butcher takes Wilbur to the back room and prepares to kill him. Wilbur is terrified, but he is also resigned to his fate. He closes his eyes and waits for the end.

But the end never comes. Charlotte, Wilbur's faithful friend, has hatched a plan to save him. She spins a web in the window of the butcher's shop and writes the words "Some Pig" on it. The butcher is astonished, and he decides to spare Wilbur's life.

Wilbur is overjoyed. He is free! He runs back to the farm and reunites with his friends. Wilbur and Charlotte live happily ever after.
