Imagine a world where the circus arts are not just about entertainment but a transformative force in your life. A world where aerialists soar through the air with grace and strength, acrobats defy gravity with agility and balance, and clowns bring joy and laughter to their audiences. This is the world of Circus School Haiku.

Founded by Troy Anthony Platt, a renowned circus artist and educator, Circus School Haiku is a unique and inspiring space where people of all ages and backgrounds come together to explore the transformative power of the circus arts.

Through aerial arts, acrobatics, juggling, stilt walking, and other circus disciplines, Circus School Haiku empowers individuals to:

- Develop physical fitness and coordination
- Enhance mental focus and concentration
- Build confidence and self-esteem
- Foster creativity and imagination
- Cultivate a sense of community and belonging

Circus School Haiku is more than just a place to learn circus skills. It is a community where individuals come together to support and encourage one another on their personal journeys of growth and transformation.

## **The Vision of Troy Anthony Platt**

Troy Anthony Platt, the visionary founder of Circus School Haiku, has dedicated his life to harnessing the transformative power of the circus arts to create positive change in the world.

Platt believes that the circus arts have the ability to:

- Empower individuals to overcome challenges and achieve their full potential
- Foster a sense of community and belonging among diverse populations
- Inspire creativity and innovation
- Promote physical and mental well-being

With Circus School Haiku, Platt has created a space where these beliefs can become a reality.

## **The Circus Arts as a Transformative Tool**

The circus arts offer a unique and powerful way to transform oneself physically, mentally, and emotionally.

### **Physical Transformation**

The circus arts require a high level of physical fitness, coordination, and balance. Through regular practice, individuals can improve their overall physical health and well-being.

### **Mental Transformation**

The circus arts also require a high level of mental focus and concentration. By learning to perform complex circus skills, individuals can enhance their cognitive abilities and develop a greater sense of self-awareness.

### **Emotional Transformation**

The circus arts can be a powerful tool for emotional transformation. By overcoming challenges and pushing themselves outside of their comfort

zones, individuals can build confidence, self-esteem, and resilience.

## **Circus School Haiku: A Community of Transformation**

Circus School Haiku is more than just a place to learn circus skills. It is a community where individuals come together to support and encourage one another on their personal journeys of growth and transformation.

The school offers a variety of programs and classes for all ages and abilities, including:

- Aerial arts (trapeze, aerial silks, aerial hoop)
- Acrobatics (tumbling, handstands, partner acrobatics)
- Juggling
- Stilt walking

- Clowning

Circus School Haiku also offers a variety of outreach programs that bring the circus arts to underserved communities.

## **The Impact of Circus School Haiku**

Circus School Haiku has had a profound impact on the lives of many individuals.

One student, Sarah, shared her experience with the school:

***““Before I started coming to Circus School Haiku, I was really shy and lacked confidence. But after a few months of training, I started to see a change in myself. I became more confident in my abilities and more outgoing. I also made some amazing friends who have become like family to me.””***

Another student, John, shared how the circus arts helped him overcome his physical challenges:

***““I was born with cerebral palsy, which affects my balance and coordination. But through aerial arts, I have been able to develop my physical strength and flexibility. I am now able to do things that I never thought possible, like climbing a rope and hanging upside down.””***

The stories of Sarah and John are just two examples of the transformative power of Circus School Haiku. The school is a place where individuals can come together to explore their own potential and create meaningful connections with others.

Circus School Haiku is a unique and inspiring space where the circus arts are used as a tool for personal growth and community transformation. Founded by Troy Anthony Platt, the school offers a variety of programs and classes for all ages and abilities.

Through aerial arts, acrobatics, and other circus disciplines, Circus School Haiku empowers individuals to develop physical fitness, enhance mental focus, build confidence, foster creativity, and cultivate a sense of community and belonging.

If you are looking for a transformative experience that will challenge you physically, mentally, and emotionally, then Circus School Haiku is the place for you.
