- Cooperative Information Systems Foundations
- Cooperative Data Management
- Cooperative Knowledge Management
- Cooperative Information Systems Applications
- Legal and Ethical Issues in Cooperative Information Systems

Important Dates and Deadlines

Key dates and deadlines for Coopis 2024 are as follows:

- **Paper submission deadline:** March 31, 2024
- **Notification of acceptance:** May 15, 2024
- **Camera-ready paper submission:** June 15, 2024
- **Conference dates:** October 14-17, 2024

Paper Submission Guidelines

Coopis 2024 invites original and unpublished research papers that contribute to the field of cooperative information systems. Papers should be written in English, following the LNCS style guidelines. The page limit for full papers is 12 pages, and the page limit for short papers is 6 pages.

Keynote Speakers

Coopis 2024 will feature an impressive lineup of keynote speakers who are leading experts in their respective fields. The confirmed keynote speakers include:

- **Professor Barbara Pernici**, University of Modena and Reggio Emilia, Italy
- **Professor Michael Mrissa**, Queensland University of Technology, Australia
- **Professor Yannis Manolopoulos**, Aristotle University of Thessaloniki, Greece

Conference Venue

Coopis 2024 will be held at the prestigious Rhodes Palace Hotel in Rhodes, Greece. The hotel is located on the scenic beachfront, offering stunning views of the Mediterranean Sea. The conference facilities are state-of-the-art and provide an ideal setting for academic exchange and networking.

Program Highlights

In addition to keynote presentations and paper sessions, Coopis 2024 will offer a range of exciting program highlights, including:

- **Doctoral Consortium:** Provides early-stage researchers with mentorship and guidance from senior researchers.
- **Industry Workshops:** Facilitates collaboration between researchers and industry professionals to address real-world challenges.

- **Social Events:** Encourages networking and cultural exchange among participants.

Benefits of Attending

Attending Coopis 2024 offers numerous benefits for researchers, practitioners, and industry leaders:

- **Access to cutting-edge research:** Learn about the latest advancements in cooperative information systems from renowned experts.
- **Networking opportunities:** Connect with a global community of researchers, practitioners, and industry leaders.
- **Career development:** Present your research, gain feedback from peers, and explore career opportunities.
- **Publication in a prestigious journal:** Get your research published in the esteemed Notes in Computer Science series.

Coopis 2024 promises to be an exceptional international conference that will advance the field of cooperative information systems. With its renowned keynote speakers, diverse research tracks, and engaging program highlights, Coopis 2024 is a must-attend event for researchers, practitioners, and industry leaders in this vibrant field.
