In Tim Collins' *Diary of Dorkius Maximus*, we follow the hilarious and heartwarming misadventures of high school freshman Dorkius Maximus as he navigates the treacherous waters of teenagehood.

## A Dork in High School

Dorkius is, to put it mildly, a dork. He's awkward, uncoordinated, and has a face that only a mother could love. But he's also smart, funny, and kindhearted. And he's determined to make the most of his high school experience, even if it means embracing his inner dork.

Dorkius's journey through high school is full of hilarious mishaps and heartwarming moments. He joins the drama club, but his audition is so bad that it becomes a school legend. He tries out for the football team, but his lack of athleticism makes him the laughingstock of the team. But through it

all, Dorkius never gives up on his dreams, and he always finds a way to make the best of things.

## **Friendship and Acceptance**

One of the most important things in Dorkius's life is his friendship with his best friend, Max. Max is everything that Dorkius is not: he's handsome, popular, and athletic. But he's also a kind and caring person, and he accepts Dorkius for who he is.

Dorkius also finds acceptance from an unexpected source: his English teacher, Mrs. Norris. Mrs. Norris sees something special in Dorkius, and she helps him to believe in himself. She encourages him to pursue his writing, and she helps him to find his voice.

## **Coming of Age**

Diary of Dorkius Maximus is more than just a funny book about high school. It's also a coming-of-age story about finding your place in the world. Dorkius learns to accept himself for who he is, and he learns to embrace his uniqueness. He also learns the importance of friendship and acceptance, and he discovers that it's okay to be different.

Diary of Dorkius Maximus is a hilarious and heartwarming book about the challenges and triumphs of high school. It's a book that will make you laugh, cry, and everything in between. And it's a book that will stay with you long after you finish reading it.
