More Than Granny: Us Version is a new web series that celebrates all things granny. The show features interviews with real-life grannies, as well as clips from classic films and television shows. It's a fun and informative look at the role of grannies in American culture.

The Granny in American Culture

Grannies have been a part of American culture for centuries. They've been featured in literature, art, and music. And they've played a vital role in American families.

In the early days of America, grannies were often the matriarchs of their families. They were the ones who passed down family traditions and

values. They also played a key role in raising children.

As America became more industrialized, the role of grannies changed. They were no longer the primary caregivers for children. But they still played an important role in families. They provided emotional support and advice. And they helped to keep families connected.

Today, grannies are more active than ever before. They're working, volunteering, and traveling. And they're still playing an important role in their families.

The Granny in Film and Television

Grannies have been a popular subject of film and television for decades. Some of the most iconic grannies in pop culture include:

* Granny Clampett from *The Beverly Hillbillies* * Grandma Walton from *The Waltons* * Rose Nylund from *The Golden Girls* * Betty White from *The Mary Tyler Moore Show*

These grannies are all different, but they share some common traits. They're all strong, independent women. They're also kind and loving. And they're always there for their families.

Grannies have also been featured in more recent films and television shows. Some of the most popular granny-themed shows in recent years include:

* *Grace and Frankie* * *The Kominsky Method* * *Better Things*

These shows feature complex and realistic grannies. They're not the stereotypical sweet old ladies. They're women who are facing the challenges of aging with grace and humor.

The Granny in Literature

Grannies have also been featured in literature for centuries. Some of the most famous granny characters in literature include:

* The Old Woman in the Shoe from the nursery rhyme * The Wicked Witch of the West from The Wizard of Oz * Grandma Moses from her autobiography, My Life's History

These grannies are all very different, but they all share some common traits. They're all strong, resourceful women. They're also wise and compassionate.

Grannies have also been featured in more recent literature. Some of the most popular granny-themed books in recent years include:

* The Granny Book of Home Remedies by Granny Rose * The Granny Diaries by Meg Wolitzer * The Granny Whisperer by Susan Shain

These books offer a glimpse into the lives of real-life grannies. They're funny, heartwarming, and inspiring.

The Granny in Web Series

More Than Granny: Us Version is the latest in a long line of granny-themed entertainment. The show features interviews with real-life grannies, as well as clips from classic films and television shows.

More Than Granny: Us Version is a fun and informative look at the role of grannies in American culture. The show celebrates the strength, independence, and wisdom of grannies. It's a must-watch for anyone who loves grannies.
