

Policing Justice Series: The Justice Series Downloads

The Policing Justice Series is a comprehensive collection of resources that provides law enforcement agencies with the tools and knowledge they need to effectively and fairly police their communities. The series includes a variety of materials, including training videos, policy guidance, and research reports, that cover a wide range of topics related to policing and justice.

The Policing Justice Series is designed to help law enforcement agencies improve their practices in a number of areas, including:

- **Use of force:** The series provides guidance on how to use force safely and effectively, and how to avoid excessive force.
- **Bias-free policing:** The series provides strategies for reducing bias in policing, and for building trust between law enforcement and the communities they serve.
- **Mental health:** The series provides information on how to interact with people with mental illness, and how to provide them with the resources they need.
- **Procedural justice:** The series provides guidance on how to interact with the public in a fair and respectful manner, and how to build trust between law enforcement and the communities they serve.

The Policing Justice Series is a valuable resource for law enforcement agencies of all sizes. The series provides practical guidance on how to

improve policing practices, and how to build trust between law enforcement and the communities they serve.
