★★★★☆ 4 out of 5

The series was established in 1949 by Henry L. Stimson, a former Secretary of War and Secretary of State. Stimson believed that Congress was a vital institution in American democracy and that its history should be studied and understood.

The lectures are typically delivered at the Library of Congress in Washington, D.C., and are open to the public. They are also available online.

The Imprint of Congress series has featured some of the most distinguished historians in the United States, including:

- James M. McPherson
- David M. Kennedy
- Gordon S. Wood
- Richard Hofstadter
- Arthur M. Schlesinger, Jr.

The lectures have covered a wide range of topics, including:

- The role of Congress in the founding of the United States
- The development of congressional power in the 19th century
- The impact of Congress on the Civil War
- The rise of congressional partisanship in the 20th century
- The role of Congress in the Cold War

The Imprint of Congress series has made a significant contribution to our understanding of American history. The lectures have helped to shed light on the role of Congress in shaping the nation's past and present.

The Legacy of Henry Stimson

Henry L. Stimson was a distinguished American statesman who served as Secretary of War under President William Howard Taft and Secretary of State under President Herbert Hoover. He was also a key figure in the Republican Party.

Stimson was born in New York City in 1867. He graduated from Yale University and Harvard Law School. After practicing law for several years, he entered politics.

Stimson served in the New York State Assembly and the United States House of Representatives. In 1911, President Taft appointed him Secretary of War. Stimson served in that position until 1913.

In 1929, President Hoover appointed Stimson Secretary of State. Stimson served in that position until 1933. During his tenure, he played a key role in the development of the Hoover Doctrine, which opposed European colonialism in the Americas.

Stimson was a strong supporter of the League of Nations. He also worked to promote disarmament and international cooperation.

After leaving government, Stimson remained active in public life. He served as a delegate to the United Nations and as a member of the Council on Foreign Relations.

Stimson died in 1950. He is remembered as a distinguished statesman and a champion of international cooperation.

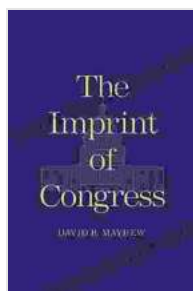

The Henry Stimson Lectures Series
